W. T. Frank, D.D., led in prayer of consecration. Rev. J. P. Hendrix and Dr. D. T. Gregory served at the table and Reverends F. L. Dennis, L. M. Hohn, E. L. Smith, H. G. Clark, W. T. Frank and M. B. Klepinger, distributed the elements of the Holy Communion. We partook together at the signal given by Bishop A. R. Clippinger. Rev. D. E. Gillispie expressed for the churches in the flood area thanks for the gift to these churches obtained through the conference.

Bishop A. R. Clippinger spoke on "The Place and Duty of the Christian Church in the Modern World." "The commands of Jesus have not changed. Organizations and emphasis change but the message of the church is constant. We live in groups today. The gospel for our day must have social implications and applications. Life is changed but the same sins curse men and society. We need personal and social gospel and salvation. We need religion in personal, social, economic and political life. To live a Christian life we must strive to make a Christian World."

Dr. Walter N. Roberts led in prayer.

Dr. D. T. Gregory distributed leaflets. He then spoke on "The Call of the General Conference to Miami Conference." "Every church and preacher ought to have a program. The most common cause of failure and complaint is the lack of a program. In the democratic polity of our United Brethren Church we elect the members of the quadrennial General Conference and then give them the responsibility of preparing and presenting our common program of work. The General Conference assembled in Chambersburg, Pennsylvania, last May, was a subject of prayer throughout the denomination; so if we believe in prayer we must believe that the call of this General Conference is the call of God to the church. Success will come and the will of God will be done as we set ourselves loyally to keep the program and reach the goals set by this conference. These goals and this program are in the literature you have received. Study carefully, circulate, use, and try to keep step with the policy and program presented in these leaflets."

"The General Conference will be expecting of Miami Conference in the next quadrennium not less than seven young men for the ministry, an increase of at least five per cent in Sunday school enrollment and attendance; a full benevolence budget of $48,000 and loyalty in every united effort. What we can do we ought to do and what we ought to do with God's help we can do. God gives us a program and if we are faithful God and his church shall not fail." Doctor Gregory closed with earnest prayer that God shall make us triumphant in the coming year.

Dr. W. I. Underwood led in singing, "Precious Name."

Mr. Wilbur B. Haines, chairman of the Finance Committee of the Euclid Avenue Church, spoke on "Privileges and Responsibilities of Church Members." Some church members are not Christians and possibly some Christians are not church members but all of these ought to be both. One of the great privileges of the church member is fellowship with Christ and with Christian people. A second great privilege is trusting God and the peace and joy which follows that trust. There is the privilege of thankfully enjoying temporal and spiritual blessings. Then there is the privilege of service, of finding joy and life in the work of God in the church. There is no limit to the opportunity for service in and for the church and the kingdom.

Our first responsibility is to give knowledge of Christianity and of Christ to people whom we meet. This is the business of every church member. Every church member ought to be a good influence in his community and to help make it a better place to live. It is a church member's responsibility to permeate life and human relations with moderation and good will. It is his responsibility to adequately and faithfully support the total work of the church.

We should attend the services and live with the thought "What Can I Do." Do you come to church seeking to help or seeking to evade? One person should not have too many jobs. Everyone should have something to do. May we so do our task that we may some day hear, "Well done, good and faithful servant."

Bishop A. R. Clippinger announced that in this quadrennium the lay delegate becomes a member of the quarterly conference and is given responsibility for carrying to the local church the program and call of the annual conference.

Dr. R. A. Powell, superintendent of Sandusky Conference, and Mrs. Powell, and Mr. Jay M. Cogan, field manager for Otterbein Home were presented and invited to advisory seats.

A ballot was cast for conference officers, Section I.

Rev. Geo. Kopittke was named chairman of the Resolutions Committee in place of Rev. E. C. Petry who was not present, and Rev. C. W. Snyder was named a member of this committee.

We adjourned with prayer by Dr. R. A. Powell.

WEDNESDAY AFTERNOON SESSION

Dr. F. L. Dennis came to the platform and read a statement in which he presented his resignation from the position of conference superintendent to which office he was elected yesterday. A motion was made and carried that this resignation be accepted.

Bishop A. R. Clippinger read the paragraph from the Discipline that gives direction in the election of a conference superintendent. Rev. Roy D. Miller led in prayer for the guidance of the Holy Spirit. The following were added to the Board of Tellers: Fred Lammers and C. A. Benzing. A ballot was cast for conference superintendent.

Dr. W. T. Frank read the report of the Commission on Evangelism. The report was approved. (See Report No. 19.)

Rev. H. S. Brown read the report on Home Missions and Church Erection. The report was approved. (See Report No. 11.)

Rev. Bruce Behney, member of the faculty of Bonebrake Theological Seminary, spoke on "The Church Made Strong Through Virile Leadership." "A minister must be consecrated. He should be conscious of a call and of his surrender to that call. If he believes he can do anything else, he should not preach. A minister must be educated. He needs a powerful and a developed mind. Paul, Augustine, Luther, Wesley and Otterbein were educated men with strong and trained minds. The minister must be a student all his life. He should be an interpreter of his times. He needs to understand youth and life in order to be a leader of youth. Churches must provide leadership in moral and social and economic and international life, and leaders must face facts and study. We need men who can point the way. The future is not bright. Without consecrated and trained and courageous leaders dark days are ahead for the church, but with strong, trained and consecrated leaders there is great service and great success."

Rev. J. B. Henry read the report of the ballot for conference superintendent. There was no election. Another ballot was cast.

Rev. J. B. Henry read the report of the ballot (See Report No. 33) for conference officers, Section 1. As a result of this ballot the following officers were elected for the coming year: Recording Secretary, O. O. Arnold; Statistical Secretary, M. B. Klepinger; Treasurer, C. B. Boda; Trustee, L. M. Hohn; Stewardship Secretary, O. A. Stutz; Registrar, Geo. Duckwall; Representative on the Board of the Westerville Training School, H. C. Hahn.

A young ladies' quartet from the Springboro Church sang "Send a Light," and "My Dream Ship."

Bishop A. R. Clippinger presented Dr. J. P. Landis, the oldest living member of Miami Conference, who now approaches his ninety-fourth birthday. The conference honored Doctor Landis by applauding and standing. He expressed his joy in having fellowship with this conference through so many years, his praise for the growth and success of these years, and his prayer that the coming year shall be the best of all.

Rev. J. B. Henry read the report of the Tellers in the matter of the ballot for conference superintendent. By this ballot Rev. L. M. Hohn was elected conference superintendent. He was called to the platform and greeted by the conference.

Rev. Ira Sweezey, Mr. E. E. Ullrich and Rev. C. R. Fralick were recognized and invited to advisory seats.

Rev. O. T. Deever, D.D., secretary of the Board of Christian Education, spoke on "Building the Church Through Christian Education." "Many people misunderstand Christian Education. It is culture of the heart as well as the head, of right emotions as well as right thinking. The General Conference gives us a great

program in this field. Every pastor and every church should have and make large use of the Church Standard. We are called to organize and carry on a church centered program of Christian education. We are to make advance in numbers and in efficiency, to reach more people and to serve them more effectively. In every church there should be regular meetings of the Sunday school officers and teachers, with study and planning at these meetings that shall lead to better work. Let us enlarge our effort in teaching the Bible. There is an alarming lack here. Let us give more study to publicity and make more effort to reach folks. Make surveys. Find folks. Make lists. Give certain persons responsibility for finding and keeping in touch with certain others. We need a new birth of evangelistic love, a new sense of urgency and need, a new hunger to serve and to teach. May we be faithful so we can say at the end of our task, "We did our best."

Dr. W. G. Clippinger, president of Otterbein College, made a brief report of the work and prospects at the college. "The college term opened this morning. There is a good increase in enrollment. Valuable additions have been made to the faculty. We have now a teaching force equal to any school anywhere." Report was made that eight are enrolled in Otterbein College from the Middletown Church. What is done in one church can be done in others.

Rev. L. M. Hohn was presented as conference superintendent and spoke with deep and sincere feeling. "I reluctantly give up the active pastorate. In the last twenty-two years I have served two pastorates, Cherry Grove and Belmont. I have tried to do what I was asked to do. I have enjoyed twenty-eight years of fellowship in Miami Conference. You have given me a big job. I ask for your patience and your prayers and your support that our year's work may be blessed and satisfactory. I appreciate your faith and confidence. It is my purpose and my hope that I shall always be worthy of it."

Bishop A. R. Clippinger bespoke for Reverend Hohn the prayers, the goodwill and the loyalty of all; and as a pledge of this loyalty we stood and sang, "Blest Be The Tie That Binds."

Rev. George Duckwall was excused for a funeral Friday afternoon.

We adjourned with prayer by Dr. C. W. Brewbaker.

WEDNESDAY EVENING SESSION

Rev. E. L. Smith presided. Music was furnished by the Oakwood Choir. Rev. Geo. Kopittke led in the devotions.

Rev. E. D. Bragg read the report of the Committee on Foreign Missions. (See Report No. 12.)

Rev. S. G. Ziegler, secretary of Foreign Missions spoke on "The Church at The Heart of The World Community." He brought a brief view of some of the problems around the world and shadows over the world today. He called to our attention movements and tendencies that challenge Christianity and the church. "There is a definite and serious conflict between the effort and message of Christian missions and the propaganda of communism or fascism. We come to a day that challenges our faith and calls to a new loyalty and devotion to the truth and the cause of Jesus Christ. Through Him is the one and only way to a better world."

Rev. E. R. Turner read the report of the Committee on Otterbein College. (See Report No. 13.)

Rev. W. G. Clippinger, D.D., president of Otterbein College, spoke on "Otterbein College and the New Quadrennium." He made a strong plea for loyalty on the part of United Brethren people, in sending their young people to Otterbein College. "It will be wise to do this for the sake of the young people, for the sake of the school and for the sake of Christianity and the church. There is great need today for the positive emphasis on religion and morality that is found only in the Christian college. There is around us a dangerous trend toward irreligion and the let down in morality and ideals that follow the loss of religious convictions. We need the support of your interest and prayers and funds that we may be able to maintain the standards for which we stand."

The benediction was by Rev. G. R. Jacoby.

THURSDAY MORNING SESSION

We sang the Doxology. Rev. Earl Stockslager led in prayer. The hymn "O Worship the King," was sung.

Bishop A. R. Clippinger spoke on the theme "Lord, Teach Us to Pray." "Man is a praying animal. Belief in prayer and effort to pray are world-wide. Christians

are believers in prayer. Christians pray. The prayer is more important in public worship than the sermon. Without prayer there is no religious life. Prayer is communion with God, adoring Him, confessing sin, thanking God, and under the Spirit's influence asking for things agreeable to His will. Prayer is a great art. Prayer should be practical and specific, expressing thanks and confession and need. Prayer should be considerate and thoughtful. Prayer is hard work. It is not easy to shut out the world and to wrap up one's self in prayer.

"God helps and directs us, and things are accomplished because we pray. Many of our prayers cannot be answered because they are selfish and not in accord with the will of God. Many of our prayers, we can and ought to answer ourselves. The best answer to prayer is the doing of God's will and our accord with that will."

We prayed the "Lord's Prayer," and sang "Sweet Hour of Prayer."

The following were appointed as a committee to arrange for the offering Friday evening: L. G. Ludwick, D. E. Gillispie, C. E. Fryman, Arthur Peden, H. P. Snapp.

The minutes of Wednesday's sessions were read and approved. The report of the Committee on Otterbein College and of the Committee on Foreign Missions were approved.

Mrs. J. B. Henry brought the greetings from Miami Branch of the Woman's Missionary Association. (See Report No. 14.)

Dr. F. L. Dennis presented a resolution expressing our appreciation of the greetings brought by Mrs. Henry and of the work of the W. M. A., and appointing Rev. Robert Copeland to convey the greetings of this conference to the next meeting of Miami Branch. The resolution was adopted. (See Report No. 15.)

Rev. S. E. Rasey read the report of the Historical Committee. The report was approved. (See Report No. 16.)

Dr. F. L. Dennis read the report of the Committee on Bonebrake Seminary. The report was adopted. (See Report No. 17.)

Rev. Bruce Behney spoke as representative of Bonebrake Seminary. Forty-three were present who had been students in the Seminary. "Miami Conference has always been friendly to Bonebrake Seminary. There are now about seventy-five students enrolled in the Seminary which makes it one of the largest theological seminaries in America. Twenty college graduates are entering the Seminary this fall, and there is promise of a larger enrollment than for several years."

"The outside bonded debt is being paid at the rate of $50,000 per year. Five years hence, this debt will all be paid. There are other debts at this time which total about $100,000. The failure to raise the full benevolence budget is the reason for this accumulation of debt. The best solution of this problem will be a full benevolence budget. Cash Day is an opportunity to realize the goal and to give the Seminary much needed financial help."

Bishop A. R. Clippinger called on every pastor to be sure that the Cash Day Offering for Bonebrake Seminary is lifted on October 10 or as soon after as possible. He urged that a certain goal be set and definite effort be made toward realizing that goal.

Mrs. V. R. Sibila, president of the Woman's Auxiliary of Bonebrake Seminary, made report of the work of that organization. The report was approved. (See Report No. 17A.)

Rev. Ralph Tinsley read the report of the Nominating Committee, Section II. The report was approved.

Doctor Gregory made a survey of the conference to discover what churches had made an enlistment campaign or every member canvass. Thirty-one stood stating that in their churches the canvass had been completed. Eight others stood stating that such canvass is planned or in process of completion. A later vote showed that in nearly every church some form of every-member canvass enlistment has been made or will be made this fall. Doctor Gregory urged every church to carefully prepare a budget and then to give a call to every member to support this budget with regular weekly offerings.

Rev. P. E. Wright, D.D., pastor of Lancaster Church and superintendent of Southeast Ohio Conference was introduced and conducted to the platform; Dr. T. C. Harper, Rev. E. W. Seymour and Rev. Spurgeon Metzler, of Southeast Ohio Conference; Rev. V. H. Allman, of Sandusky Conference; Rev. Dwight Patterson and wife, and Rev. Dwight Lusk, of White River Conference were introduced and by vote invited to seats in the conference.

Rev. C. R. Smith was excused for a funeral.

We were dismissed with prayer by Dr. P. E. Wright, superintendent of Southeast Ohio Conference.

THURSDAY AFTERNOON SESSION

We sang "Higher Ground." Rev. Ivan Jenkins read from Romans 14 and lead in prayer. We sang "It is Well With My Soul."

Bishop A. R. Clippinger assisted by Dr. F. L. Dennis baptized Phyllis Adams, infant daughter of Rev. Mary C. Adams.

Rev. E. S. Comrey read the report on Ministerial Pensions. (See Report No. 18.) Prof. H. H. Baish, manager of the Teachers' Retirement Fund, of Pennsylvania, and secretary of the Ministerial Pension Bureau of the United Brethren Church, spoke on the report. "I have great faith in the United Brethren Church and great interest in our future as a denomination. I have been for twenty-five years working in and interested in old-age security. I have studied what other denominations are doing in providing for the old age of their ministers. I know what other denominations have done and we have not done. We are in our provision for our aged ministers way below nearly all other denominations in the United States. We have built fine buildings and great institutions but we have overlooked and neglected the man in the pulpit. The man counts more than the buildings. If we do not in the near future provide reasonable security for old age for our ministry, the best of our young men will leave the ministry of our church and cannot be blamed for doing it. If we do not make adequate provision for social security for our ministers the days of our denomination are numbered.

"The last General Conference has put the raising of $1,000,000 for Ministerial Pensions in our program for this quadrennium. A quota has been given to each conference. A plan and schedule for work has been adopted. We plan to put on the campaign and raise the money through our own organization. You are a part of that organization. There is to be in each conference and church a campaign committee. A handbook for workers and other literature will be circulated. Let us show folks that the United Brethren minister is no longer the forgotten man. We expect you to do your part."

Bishop A. R. Clippinger spoke in the interest of the campaign. "This will call for some large gifts. We need to be thinking ahead and to be planning and preparing for what we are going to do. Let us unite heart and hand and pocket book and put across this great and worthy project."

Resolutions were presented by the Bishop in regard to this campaign in Miami Conference by which resolution we accept the quota of $77,532 and express our accord with the plan of organization and work as outlined by the central committee. The resolution also provided a method for payment and accreditment of funds raised. It was explained that under this plan, our payments begin immediately to earn income that accrues to the benefit of our retired ministers and their widows. The resolutions were adopted. (See Report No. 19.)

A ladies' quarter from the Ginghamsburg Church sang "Lend a Hand" and "O Beautiful City."

An offering was lifted for conference expenses.

It was moved and carried that A. Glenn O'Dell be recommended to the Committee on Elders' Orders.

Rev. J. D. Niswonder read the report on the Otterbein Home. The report was adopted. (See Report No. 21.)

Rev. C. E. Traylor, superintendent of the Otterbein Home, spoke for the home. "We undertake to give all our family three square meals a day, a good place to sleep, comfortable clothing and other things needed by children and the aged. This takes money and *money*. Buildings and water towers wear out. Equipment must be kept in repair. Our primary business is not filling a position but rendering service, making effective in service to needy folks, the means which you, through love, put in our hands.

"We have had a good year on the farm but many difficulties. Our barns and silos are well filled. We are undertaking a soil building program. We plan to grow one-hundred acres of sweet clover each year. We plan to make this a better farm and through the years to provide as much as we can toward the sustenance of our family, but you realize that for this we need your help. Come and look us over."

Rev. A. B. Condo spoke for Mr. Jay M. Cogan. "The Home is there to care for children and old people who come to unusual and unfortunate conditions that cannot be met by the local church. The great purpose of the Home is character, to save boys and girls through life and training there. The Home is an opportunity to keep through giving."

Rev. A. W. Ballinger, one-time Superintendent of the Sandusky Conference, spoke as a member of the Otterbein Home Family and a friend of the Home. He expressed his joy in living and helping to serve there and appreciation of the faith and benevolence that makes the home possible. He suggested as a text, "Otterbein Home, beautiful for situation, the pride and the joy of the whole denomination."

Bishop A. R. Clippinger added words for the Home. "At ten cents per meal the cost of the meals alone at the Otterbein Home will total more than $32,000 per year. Some may bring more than they cost to the Home but more cost much more than they bring. Let's help Otterbein Home."

Rev. R. B. Ditmyer read the report of the Committee on Pastors' Reports and Records. The report was adopted. (See Report No. 22.)

Rev. B. S. Arnold, D.D., superintendent of the East Ohio Conference, was introduced and greeted by the conference.

We adjourned with prayer by Dr. B. S. Arnold, superintendent of the East Ohio Conference. After adjournment ministers wives met for their social hour and banquet, and the ministers met in conference with Bishop A. R. Clippinger.

THURSDAY EVENING SESSION

A very much appreciated program of vocal music was given by the Orpheus Male Chorus under the leadership of Prof. O. E. Gebhart, with Miss Gladys Williams as soloist and Miss Zana Wombold as pianist.

Awards were made to churches that made gains in membership or made increases in benevolences paid during the year, or paid benevolence in full. One hundred of the 111 churches of the conference received awards, which were to each church ten copies of the book "God's Will Be Done in the Church." A tithers account book and diary was presented to each pastor of a church that paid its benevolent quota in full.

After the singing of "Steal Away to Jesus," by the chorus we were dismissed with prayer by Rev. R. E. Hanson.

FRIDAY MORNING SESSION

We sang "Precious Name" and "Revive Us Again" and were led in prayer by Rev. M. D. Kidwell.

Bishop A. R. Clippinger brought a devotional message on the theme "We Belong to God." "We are God's by creation, we are the creatures of God. All life belongs to God and is the gift of God. We are God's by adoption, by the spirit of adoption

we are made the children of God. By and because of His love we are adopted into His family. We are God's by purchase. 'Ye are bought with a price.' Our redemption cost the blood and suffering of Jesus Christ. We should boast of our high privilege of belonging to God, of being His by creation, by adoption and by purchase. We belong to Him; He belongs to us. This faith brings peace and joy and great satisfaction."

At the end of this uplifting address Bishop Clippinger led in prayer.

We sang "I am Thine O Lord." The roll was called and record made of ministers who were willing to travel.

Revs. B. F. Petereit and A. C. Witham were appointed to assist the tellers.

Rev. J. A. Pantle, retired minister, was introduced and spoke. "I have served as many as seven appointments on one circuit and that was in the horse and buggy days. I am glad to be here. Brethren, preach the word." He then recited these poems: "The Keep Together Kind," "Tell Him Now," and "Your Flag and My Flag."

In observance of this day as Constitution Day and in celebration of the adoption of the Constitution, September 17, 1887, we stood and sang, "My Country 'Tis of Thee."

He distributed a sheet which gives a brief outline of the program for work in Christian Education (See Report No. 23A) in each church and urged every pastor to secure the packet which gives the denominational program for each age group. Doctor Roberts presented the "Church Standard" poster which is for the whole church and urged its use and study in every church group.

Rev. Roy D. Miller, conference director of Adult work, recommended the booklet "Church Group Activities for Young Married People," and the new United Christian Adult Movement booklet.

Dr. C. W. Brewbaker, conference director of Christian Education, urged regular planned workers council. He urged making much of special days and advised holding a meeting of officers and teachers fifteen minutes before the opening of the school. "Read and circulate books that give information which will inspire and equip workers and leaders. We ought to have in every church a group of prospective teachers and officers being taught in the Sunday school hour. Make use of Sunday evenings for instruction and counsel. Success requires consecration, prayer, and faithful and constant effort."

Rev. M. D. Kidwell, conference director of Leadership Training, stated that in this quadrennium we have set ourselves to have at least one standard training class each year on each charge. This is easily possible if sincere effort is made. Make use of any possible group or time. Afternoon classes are proving successful and profitable. Study available courses and select and teach that that seems most practical and valuable. The greatest need in the United Brethren Church today is the training of lay-leadership. This is a way to do it.

The report of the Board of Christian Education was adopted. (See Report No. 24.)

Rev. Harvey Hahn, read the report of the Committee on Policy. This report was amended by adding an item providing for the appointment of a Rural Life Commission. The report was adopted as amended.

Rev. B. S. Arnold, D.D., briefly explained a graph which was used in the East Ohio Conference giving a comparative view of churches in the matter of church membership, Sunday school attendance, local expenses, and benevolent giving.

I am glad to go on as a helper and fellow worker with you."

Rev. S. E. McNaught, superintendent of the Ohio Anti-Saloon League, spoke for the League. "We appreciate your representation in the League, your Bishop and your cooperation. I come with much concern but with much hope. Conditions in regard to beverage alcohol are worse than ever in our country. Things are so bad that various groups are becoming interested and anxious to do something to change them. The church is called to lead communities in this effort. We are anxious and ready to help you in any way in which we can help carry truth to the multitudes and build sentiment and secure legislation."

"We are going into a program of sane education in the public schools. We have made a start in billboard advertising. We are using total abstinence pledges. We have a new drama called "The Tiger," based on the early life of John B. Goff. Find some place where we can help you or you can help us."

Rev. O. D. Wellbaum was excused from the afternoon session for a funeral.

Rev. Elias Cross pronounced the benediction.

FRIDAY AFTERNOON SESSION

We sang "My Hope Is Built on Nothing Less." Rev. Walter Sinks read from Romans 8 and led in prayer.

Rev. Bruce Cameron, field secretary of the American Bible Society, spoke as a representative of that society. "There is a return to the Bible as an element of worship. The Bible is the book that brings folks back to God. People today want to sense God. They want to find Him. We can help people find him by bringing them to the Bible as a book of worship. The American Bible Society seeks to bring the Bible to people around the world. We sell the Scriptures for less than the cost of printing. We sell the twenty large volumes of the Braille Bible for the blind for $5.00. We supplied over 5,000 Bibles without cost in the flood area of the Ohio Valley after the flood of last January."

The Report of the Anti-Saloon League Trustees was adopted.

Rev. Roy D. Miller brought to the conference an invitation from the Euclid Avenue Church to hold the next annual session of the conference in that church. A motion was made and carried unanimously that the invitation be accepted.

Rev. L. M. Hohn, conference superintendent, addressed the conference, "Our conference is a sharing fellowship, we seek to give to each other, we go out

to make progress together. I ask no one to work harder than I work, to make more sacrifice than I make. May we go down the line together, sharing our joys, our tasks, our heartaches and our victories. I will look to my Bishop as my pastor and counsellor. I will try to be pastor to you who are pastors to the people. I want to do something to help everyone in the conference. May we build as we ought on foundations already laid. This is a great challenge. I see as our accomplishment, $48,000 paid in benevolences. It is my hope that everyone of us will gladly accept our share. Let's start now to reach the goal out yonder at the end of the year. Let's make a program. You have now guides enough. Let us be sure we do our best in study, in planning, in work together with each other, and with the help and leadership of God. If we do this, we shall come together to great joy and victory."

At the call of Reverend Hohn we sang, "This is My Task."

Bishop A. R. Clippinger gave to Rev. L. M. Hohn the promise of his help and faithful cooperation and bespoke for him the prayers and faithful loyal cooperation of all the conference. In closing he said, "We have had a pleasant and a happy and a kindly conference. We face a great task, I think the greatest task that this conference has ever faced. We go out with courage and purpose and high hope."

The Bishop appointed for the coming quadrennium the following Reading Course faculty: Clarence Smith, chairman; Lewis Odon, Ralph Tinsley, E. D. Bragg, G. W. Oliver and Robert Copeland.

Bishop A. R. Clippinger in a few words led into the spirit of consecration and we sang "Take My Life and Let It Be," after which he dismissed the conference with a prayer of thanks and petition and dedication.

B. Henry read Ezek. 37: 1-14. Rev. C. W. Snyder led in the evening prayer. The Oakwood Choir sang "Great Is The Lord." An offering was made toward conference expense. The offertory prayer was by Dr. W. T. Frank. We stood and sang, "Marching To Zion."

Bishop A. R. Clippinger preached a stirring sermon on the theme "A Call To Sleepers." The text was Eph. 5, 14. "The church is bound by a spirit of apathy in a time of need and crisis and danger. We face more deadly enemies than an army of foes. The call to awake was the call of the Spirit to the Church at Ephesus and is the call of God to the church today.

"Some such condition and call is pictured in Ezekiel's vision of the valley of dry bones. Today, conditions of lukewarmness, carelessness and worldliness make us think of a valley of dry bones. We need motive power. We need life. We need the Spirit of God.

"The early church was a spiritual and powerful church. They loved each other. There was a community of spirit and purpose and of goods. There was a spirit of unselfish fellowship. It is difficult to live Christian in an unChristian world.

"Today there is much pressure toward lowering the standards and unChristian practices. In order to win people we must live differently from the people who are without Christ.

"We need revival in the heart of the pastor. We need revival in the church that will last twelve months a year and will make for vital and triumphant living by the entire membership of the church. We need revival in church attendance, in the home and in the pocketbook. Tithers give gladly and they live gladly.

"We need the Spirit of God and the love and the hunger and the sacrifice that come with the Spirit. Then ours will be a growing church."

Miss Louise Stoner, Director of Oakwood Choir, sang "Oh Turn Me Not Away."

Rev. Phillip O. Deever and Rev. A. Glenn O'Dell were ordained as elders by Bishop A. R. Clippinger, assisted by Dr. O. T. Deever and Rev. L. M. Hohn. Dr. D. T. Gregory led in the prayer of consecration.

The secretary read a letter from the Official Board of the Belmont Church which was filled with a spirit of love and praise and prayer for Rev. L. M. Hohn and his family.

Bishop A. R. Clippinger read the report of the Stationing Committee (See Report No. 34.)

The closing benediction was by Rev. E. L. Smith.

Report No. 1
REPORT OF THE COMMITTEE ON MEMOIRS

Obituary of G. T. Powell

George Thomas Powell, son of George, Sr., and Susan Powell, was born in Poolesville, Maryland, March 11, 1861, and called to his reward April 6, 1937, at his home in Murlin Heights, Ohio. Age 76 years, and 26 days.

At eleven years of age he was obliged to earn his own living by working on a farm. At the age of twenty he came to Dayton and hired to Jess Wampler, on Covington Pike. In 1881, he was employed by H. H. Cassel, near Vandalia, Ohio; where he made his home for thirteen years. In this godly home, largely through the prayers and influence of Mrs. Cassel, he became a christian. At this time Rev. J. L. Swain was holding an evangelistic service at Vandalia. One of his texts was, "Him that cometh unto me I will in no wise cast out." The Holy Spirit indited the Word, and Brother Powell was gloriously converted. He became an active worker and member of the Vandalia Church. He soon felt the call to the ministry. To answer this call he needed christian education and accordingly entered Pine Grove school.

In 1883, at Vandalia, he received his Quarterly Conference license from William McKee, his presiding elder. He next entered the Normal University at Lebanon, Ohio, but failing health compelled him to go back to the farm.

In 1891 he entered our Dayton Seminary, graduating in 1894. He was ordained at the time of his graduation, May 8, 1894, and assigned to the mission charge at Harvey, Illinois. After eighteen months he resigned, and was employed by the Nelson Morris Packing Company, of Chicago. This change enabled him to pay off his Seminary debt.

He joined Miami Conference in 1894 under Bishop E. B. Kephart, and served the following Charges: Cherry Grove Circuit, Mt. Healthy, Springboro, West Elkton, Willey Memorial, Harrison, Eldorado, Salem, a Home Mission Field in Texas, Arcanum, East Dayton, Union City, Cheviot, Springfield, Piqua, Lewisburg, Troy Street, and Cherry Grove, closing his ministry where he began. While at Harrison he organized the North Bend Church. Several young men entered the ministry through his labors.

September 22, 1898, he was united in marriage to Miss Edna Slete, of Mt. Healthy, Ohio. To this union three children were born: Mrs. Irene Bay, George Kermit, and Henry Kenneth. His faithful companion died at Blessing, Texas, December 10, 1911.

December 24, 1912, he was united in marriage to Miss Ida Drumm, also of Mt. Healthy, who gave him excellent assistance in his work, and tenderly nursed him during his extended illness.

Those surviving him, besides the immediate family are: four grandchildren, one brother, two sisters, many nieces and nephews and friends.

Appropriate funeral services were conducted at Vandalia, April 9, 1937. Bishop A. R. Clippinger gave the sermon, assisted by Dr. D. T. Gregory, Louis Oden, George VanZant, W. C. Niswonger, and M. I. Comfort, the pastor. The Conference Quartet sang three numbers. Twenty-two ministers were present. His body rests in Poplar Hill Cemetery.

"Father, in thy gracious keeping,
Leave we now, thy servant sleeping."

Obituary of Carrie B. Rasey

Mrs. Carrie B. Rasey, daughter of Noah and Anna E. Wike, was born in Brookville, Ohio, February 19, 1883, and was called suddenly from labor to reward in Dayton, Ohio, March 29, 1937. Age 54 years, 1 month and 10 days.

When she was nine years old, she moved with her parents to Lewisburg, Ohio, where her father was engaged in the furniture and undertaking business, and where the family lived for many years. Mrs. Rasey graduated from the Lewisburg High School, and later spent one year in Miami University, Oxford, Ohio

She was converted to Christianity when she was twelve years old and received into the Lewisburg United Brethren Church, under the ministry of Rev. W. C. Niswonger.

In 1904 she was united in marriage to Royden K. Blake, who was station agent at the Cincinnati and Northern Railroad Station in Lewisburg. Here they lived until his death in August, 1921. They refused many promotion offers from the Railroad Company in order that they might keep their home and be near her parents. Two children were born to this union, one daughter and one son.

On June 12, 1923, she was united in marriage to Rev. S. E. Rasey, who was then pastor of the Hartford Street Church, Dayton, Ohio. She immediately transformed herself into a minister's wife as completely as if she had been a minister's wife all of her married life. She loved every one and tried to serve Christ and the Church to the best of her ability. She was gifted in song, having a rich contralto voice which she used freely to the joy of multitudes. She was also a public speaker of good ability, frequently being called upon for Woman's Day addresses in connection with the Woman's Missionary Association. She was especially interested in the work of the W. M. A., being first vice-president of Miami Branch. She was also a member of the Emerson Literary Club of the City of Dayton.

Those surviving her are: her devoted companion, one daughter, Mrs. Margaret Bass; one son, Robert Blake; two stepsons, Virgil and Howard Rasey, of Dayton, Ohio, many nephews and nieces, and other relatives and friends.

Appropriate funeral services were held at Beavertown, Ohio, March 31, 1937. Dr. D. T. Gregory gave the sermon, assisted by L. M. Hohn, district leader.

"Blessed are the dead which die in the Lord from henceforth."

The council is made up of men and women of your choosing and numbers twenty-two. Seven of this number have attended every session during the year, five were present at three sessions of the year, and three did not attend a single session, one of the three was Brother Webb Gilbert who passed to his crowning early in the year.

The council has had five meetings during the year, the first at First Church, Dayton, Ohio, November 23, 1936, the second was a called session and held at the Belmont Church during the Adult Convention, the third meeting was held at Euclid Avenue Church, January 12, 1937, the fourth was held at New Madison, Ohio, April 14, 1937, and the fifth was held at Bonebrake Seminary, June 18, 1937.

At the first session Dr. D. T. Gregory set before the council his plan for the year's work in the conference.

The Educational Conference at Otterbein College was discussed and representatives elected to represent the Miami Conference.

Dr. J. B. Showers presented a project whereby the Publishing House could furnish bulletins to the churches. Dr. D. T. Gregory, Rev. S. E. Rasey, Rev. Roy Miller, Rev. Ralph Tinsley, Rev. Wm. Comfort and Rev. J. P. Hendrix were appointed a committee to study the plan and report at a later meeting.

In the third meeting the council centered its efforts around the question of a more steady contribution to Benevolences.

In this session we had the honor of the presence of Mr. W. O. Clark who had recently been elected to the treasureship of Otterbein College.

Quite a number were reported sick and the council paused for a period to hold them up before the throne in prayer.

The question of the Mid-Year Conference was brought up at this meeting as per the action of last conference and the following committee was appointed: Rev. H. G. Clark, Dr. F. L. Dennis, Mr. F. B. DeWeese and Dr. W. N. Roberts, with Bishop Clippinger and Doctor Gregory as advisors to the committee.

Fifteen members were present at this meeting.

The fourth session passed a motion making this session the Mid-Year Conference to answer to the action of our last annual conference.

Attention was called to the death of Brother Webb Gilbert, and a commitee on resolutions was appointed, being made up of Dr. F. L. Dennis and Rev. Roy Miller. This committee submitted the following resolution:

Whereas Brother Webb Gilbert, a member of the Miami Conference Council of Administration and a valued servant of God and the Church, has been called to his crowning; Be it Resolved: That we, the members of said council in session at New Madison, Ohio, on April 14, 1937, express our heartfelt sympathies to his family and friends, and that we renew our dedication to the program of Kingdom building in which Brother Gilbert was so deeply interested.

The resolution was adopted on motion.

On motion a Memorial to the General Conference was authorized to advise the General Conference of our desire, that we, as a Church, unite with the Evangelical Church as soon as it is expedient.

The Council passed a motion going on record asking the Stationing Committee of the General Conference for the return of Bishop Clippinger to our area.

There were twelve members present.

In the fifth meeting the important item was the Benevolent Budget for the new quadrennium. The following committees were appointed to study the matter for each district of the conference and make recommendation as to quotas for the churches of the district.

The Committee for the Cincinnati District:
Rev. E. L. Smith, Rev. M. D. Kidwell, Rev. W. I. Underwood, Orval Nieman and Joseph Lyman.

SUPERINTENDENT'S REPORT

Report No. 4

To our Presiding Bishop, Fellow-Ministers, Delegates, and all faithful church-men here assembled: Greetings.

"Blessed be the God and Father of our Lord Jesus Christ, who according to his abundant mercy hath begotten us again unto a living hope by the resurrection of Jesus Christ from the dead."

Once more an annual conference session has called us from our homes and fields of labor, reminding us of the words of the poet who said:

"The time is short.
If thou wouldst work for God it must be now."

We are here to give an account of our stewardship as Christians during the past twelve months, and to prayerfully study and plan a course of procedure for the ensuing year. Already our reports are in the process of becoming another chapter in the history of Miami Conference.

Most all reports will stand in the records as an abiding credit to pastor and people. They will be a living witness to the faithful cooperation and diligent efforts made in these respective churches. They will testify to a loyal devotion that ultimately stamped the year's work with the marks of victory. For these reports and the spirit of fidelity which they reflect and the victories which they record, we rejoice with these workers and join in praise and thanksgiving to God.

A few reports, however, will stand in the records, bearing testimony to an indifferent attitude or a careless application of ourselves to the great commission with which the church is charged. In these reports will be found evidences of surrender and defeat, or perhaps failure to make any sincere effort toward success. Where such may be the case, let us seek divine forgiveness for having cumbered the ground with a year of fruitless living, and let us earnestly pray that we may be fruit-bearing souls in the kingdom during the year just ahead.

Churches and Districts

Our conference is composed of seven districts with 111 Churches as follows: Cincinnati District, 19 churches; Middletown District, 18 churches; East District, 13 churches; North District, 13 churches; West Dayton District, 14 churches;

Lewisburg District, 16 churches; Greenville District, 18 churches. Every one of these 111 churches has made a contribution toward the benevolence interests of the conference and denomination during the year.

Benevolences. The conference has realized a splendid gain in benevolence contributions during the year. The district quotas were as follows: Cincinnati District, $7,596—paid 65%; Middletown District, $7,428—paid 54%; East District, $7,956—paid 61%; North District, $7,380—paid 59%; West Dayton District, $15,852—paid 75%; Lewisburg District, $5,364—paid 54%; Greenville District, $5,508—paid 48%. Conference total, $57,504—paid 60.6%.

The following fourteen churches paid their benevolence quotas in full or more: Beardshear, Belmont, Cheviot, Cincinnati Second, Euclid Avenue, Fairview, Harshman, Mount Healthy, New Hope (on the Lockington Charge), Oakwood, Philipsburg, Utica, Verona, and Waterhouse. The last one is a "second-mile" church.

Seventy-six other churches, while not paying in full, made commendable gains over last year. To these seventy-six churches must be given most of the credit for the $3,395 increase realized by the conference this year.

Twenty-one other churches dropped below the giving of last year to a total of $608.

Church Debts. The year has been marked by outstanding reductions in local church debts as can be discerned in the following tabulations: Batavia, $3,000; Beardshear, $7,780; Cheviot, $2,689; Clayton, $258; Clifton, $550; Dayton First, $1,000; Drexel, $650; Fairview, $15,289; Fort McKinley, $1,044; Greenville, $356; Hartford Street, $9,683; Hyde Park, $1,223; Miami Chapel, $269; Miamisburg, $172; Middletown, $1,502; Mount Healthy, $416; New Haven, $150; Newport, $1,232; North Bend, $528; Oakwood, $27,000; Otterbein (Dayton), $1,000; Piqua, $100; Sulphur Grove, $150; Willey Memorial, $645; Xenia, $9,483; Zion, $40; making a grand total of $86,270.

In addition to the above payments on debts a total of $8,607 in interest was paid by these churches.

Church Improvements. The year also has been characterized by outstanding improvements made on many of our church properties: Arcanum, $1,207; Arlington, $740; Brookville, $813; Castine, $225; Cherry Grove, $1,000; Cheviot, $320; Cincinnati Second, $876; Dayton First, $1,003; East Dayton, $4,228; Euclid Avenue, $2,740; Five Mile, $125; Ginghamsburg, $187; Hamilton First, $699; Ithaca, $105; Lagonda, $3,000; Lewisburg, $792; Maple Park, $167; Miamisburg, $400; Middletown, $715; New Hope, $340; New Madison, $1,137; Newport, $1,008; Norris Memorial, $415; North Bend, $450; Oak Street, $3,099; Philipsburg, $320; Savona, $148; Southern Hills, $665; Springboro, $73; Sulphur Grove, $647; Troy Street, $1,021; Union City, $2,500; Wagner Chapel, $225; Waterhouse, $275; West Sonora, $134; Willey Memorial, $879; Xenia, $200; Zion (Dayton), $750, making a total of $33,662.

Fairview dedicated a $40,000 new educational building on Palm Sunday, a large part of the cost already having been provided.

Institutes and Rallies. A series of fall institutes and a series of spring rallies were conducted under the direction of our Conference Board of Christian Education, the Miami Branch of the W. M. A., the Otterbein Guild, and our District Leaders. All of these proved profitable periods of study and inspiration relative to our conference program.

Membership. According to the last quarterly reports received from the pastors the conference realized a small increase in membership during the year. A total of 771 were received into church on confession of faith. The net increases and decreases reported are as follows: Cincinnati district: 13 churches report an increase of 98, 3 churches a decrease of 31—making for the district a new increase of 67. Middletown district: 8 churches report an increase of 118, 7 churches a decrease of 90—making for the district a net increase of 28. East district: 5 churches report an increase of 39, 7 churches report a decrease of 34—making for the district a net increase of 5. North district: 7 churches report an increase of 55, 2 churches report a decrease of 23—making for the district a net increase of 32. West Dayton district: 9 churches report an increase of 92, 4 churches report a decrease of 60—making for the district a net increase of 32. Lewisburg district: 6 churches report an increase of 33, 8 churches report a decrease of 69—making for the district a net decrease of 36. Greenville district: 6 churches report an

increase of 26, 10 churches report a decrease of 38—making for the district a new decrease of 12.

This gives for the conference, 54 churches reporting a net increase of 461 and 41 churches reporting a net decrease of 345, making a grand total net increase for the conference of 116.

Missionary Convention. The W. M. A. Convention, held at New Madison, was one of the outstanding events of the year. Something like eight hundred leaders and workers from all over the conference were in attendance at the sessions. Surely the inspiration gathered must bear fruit in every local church having representatives present for this occasion.

Spiritual Life. One primary objective throughout the twelve months has been that of an enrichment of our spiritual life. Worshipful services and mid-week gatherings have been planned by pastors and officials with this objective in mind. We believe it has been a year of definite spiritual growth for many of our people in many churches throughout the conference. More and more our membership tends toward a greater interest in public worship. This gives promise of a new day in all our work, we are led to believe.

Summer Training Schools. Our churches have responded well toward having a representative attendance at the Bonebrake Summer School and the Westerville Training Camp. The results of these periods of definite study and Christian association on the part of several hundreds of our young people already are being realized in many of our local church programs. We urge an increased interest on the part of all our churches in this remarkable piece of work preparatory to efficient leadership and work in the local churches.

Winning Souls. Jesus once said to a few men, "Follow me, and I will make you fishers of men." That same injunction comes down through the years and is as imperative today as in the first century of the Christian era. Unless we are winners of souls there is little reason for our continuation as organized bodies in the name of Christ. Every organized church, taking the name of Christian, must of necessity seek to persuade souls to accept him as their Lord and Redeemer. Let us earnestly resolve to do our best toward greater gains in this phase of our work during the ensuing year.

Our Ministers

Active Ministers. The fields of labor have been served by eighty-one ministers during the year. Of these, seventeen have been student or part-time pastors who received less than the minimum salary. It is impossible for any report to reflect the complete results of the combined labors of these eighty-one pastors. Their contributions in the way of unselfish living and Christian kindnesses are beyond any statistical tabulations.

Quarterly Licentiates. Quarterly licenses were granted or renewed during the year for the following: Herbert Bohse at Otterbein (Dayton); John Clippinger at Euclid Avenue; Charles Messmer at Newport; Harry T. Sinks at Columbus Avenue, and David C. Woodburn at High Street.

Resignations and Appointments. Rev. Ivory Zimmerman resigned the Drexel Park Charge and was assigned to the Zion Church. Rev. B. F. Petereit resigned the Potsdam Charge and was assigned to the Drexel Park Charge. Rev. Leroy Smelker was appointed the first of October to assume the pastoral leadership of Abbotsville and Caylor Churches, and Rev. Leonard W. Broadstone likewise was appointed to give pastoral leadership to the Potsdam and Weaver Station Churches. In January, Rev. B. B. Smith resigned the work at Wagner Chapel, and Rev. G. M. Pool was appointed to assume the duties on this Charge February 1.

Sickness and Sorrow. Critical illness disturbed the labors of Rev. S. E. Rasey during the year and retarded the progress of his splendid program on the Beavertown Charge. In the midst of his physical breakdown the sudden death of Mrs. Rasey cast a gloom of sorrow over the family circle and the entire congregation. Many have been the sympathetic expressions concerning Brother Rasey and his family in these experiences that have been theirs since we were in an annual conference session.

During the year Rev. G. T. Powell, one of our retired ministers, passed to his crowning. The sympathetic kindnesses of many friends have been appreciated by Mrs. Powell and her loved ones during these weeks and months of their sorrow.

On February 7, Mr. W. A. Gilbert, a member of our Council of Administration, suddenly passed away while he was having charge of the adult worship program in the Euclid Avenue Sunday school. The suddenness of his going and his departure from our ranks proved a shocking blow to us all. Our hearts are with his loved ones in their loss of his noble counsel and fellowship.

At the present time Rev. E. C. Petry is in the Saint Elizabeth hospital to undergo an operation with the hope of a recovery of health and strength and the privilege of again assuming his responsibilities in his ministerial endeavors. I am sure our hearts will be with him and Mrs. Petry in prayer and earnest yearning during these days of anxiety for them both. May God bless him with the presence and touch of the Divine to aid in his recovery.

Flood Relief

During the year disruption came to the work of our Cincinnati Area as a result of the most disastrous flood in our history. Second Church, Newport, North Bend, and Willey Memorial were the heaviest sufferers in the flood. In response to an appeal made to our churches throughout the conference a total of $1,996.42 was contributed which in turn was divided among these churches in proportion to the estimated loss suffered by them. This gift has meant much to these congregations in assurance of our United Brethren Fellowship and concern for one another, also in helping them rehabilitate for continued work. The gratitude of these churches has been and again is expressed in this way to everyone who had part in this generous contribution.

Recommendations

1. That our denominational theme, "God's Will be Done in the Church," be adopted as our conference theme for the ensuing year.
2. That the yearly emphasis as set forth by the General Conference and printed in the leaflet, "The New Quadrennium," be kept before us as a guide in our program procedure for this conference year.
3. That our fall institutes and spring rallies be given fullest consideration by every pastor and church in the conference, in order that the inspiration and information given at said gatherings might be imparted to every church throughout the conference.
4. That Church Night programs and similar methods of instruction be conducted in all our churches for the purpose of informing our people concerning the new quadrennial program.
5. That soul enrichment and soul winning be primary objectives in the planning of our work and in the conducting of our services all through the twelve months.
6. That every charge employing a full-time pastor make an earnest effort to pay at least $1,200 and home as a minimum salary basis. We should not forget that a considerable per cent of what is paid the pastor must first be used for operation costs before he has what can rightfully be called salary; therefore, we urge that every charge keep in mind the necessity of an adequate support for the pastor in his work.
7. That our new benevolence budget quota, reduced by the last General Conference to the amount of $9,500, be given most serious consideration and zealous endeavor throughout the entire conference period. The budget quota now assigned to Miami Conference surely is within the bounds of the possible for this great group of churchmen in the Southwest corner of the state of Ohio. Systematic planning and consistent endeavor will give victory on this score everywhere.
8. That a well planned and persistent effort be made toward a substantial reduction in our conference debt and the burdensome obligations resting upon many of our local churches.
9. That we seek as soon as possible to give material aid in the establishment of more adequate equipment on certain strategic fields within the bounds of the conference. Among these we are thinking especially of Belmont, Cheviot, Hamilton First, and Mount Healthy. All of these are fields into which we must enter in a more adequate way at an early date.

A Personal Word

It has been no ordinary privilege to have been granted the opportunity to serve the kingdom of Christ in the capacity of superintendent of Miami Conference. The five years we have undertaken the responsibilities of this task have been

among the choicest years of our ministry. We will forever be indebted to the loyal and faithful churchmen of Euclid Avenue, where we served a part of these years as pastor, for their ready cooperation in all phases of the double responsibility. We also are under obligation to the noble and devoted workers throughout the conference for their willingness to stand by and to lend a hand toward the various undertakings until such became realized achievements.

It is with a sense of an unspeakable feeling that we now turn from this exceedingly close tie and fellowship with the people of Miami Conference which is dear to our hearts, and to undertake the work of a new field. Our prayers and sincere yearning for the many victories we believe possible for this conference will continue a part of our daily devotion.

With our thanks to Bishop Clippinger for the kind and close cooperation across the years, and to the loyal and steadfast pastors for their fidelity in the work, and to all the splendid officials of the local churches throughout the conference who have been courteous and Christian in all phases of the work, we simply say, "God bless you and keep you, and make His face to shine upon you, and be gracious unto you."

Report No. 7

REPORT ON PUBLISHING INTERESTS

The Otterbein Press ranks with the other major institutions of the United Brethren Church as a factor in the program of Christianity. The agent, Dr. J. B. Showers, sends the following message to the brethren of Miami Conference:

First—His deep appreciation of the work of pastors and laymen in furnishing spiritual leadership and loyal support of the Publishing House.

Second—A two-fold campaign is in progress: To liquidate the debt, the first step of which has been successfully concluded; and to restore United Brethren literature to its former circulation. Our editors, Dr. J. W. Owen, Dr. J. A. Lyter, Miss Alta Becker, Dr. W. E. Snyder, and Dr. E. E. Harris are constantly striving to improve our Sunday school and church periodicals. The new Primary and Junior Quarterlies have met with widespread favor and acceptance.

Third—The new Church Hymnal has become the most popular one our Church has ever had. The first edition is already exhausted and the second one is being printed. Its use is invaluable in the worship of United Brethren Churches.

Fourth—The Religious Telescope, now in its second century, has dropped to a circulation of 13,000, the lowest in its history. To be a strong, aggressive denomination we must have a strong, aggressive and widely circulated church paper. We believe the Telescope possesses all these qualities except the circulation.

Fifth—Every minister in the Conference is a field representative of the Publishing House; and upon each one falls much responsibility for circulating the products of this institution.

In the light of this message from our Publishing Agent we recommend the following:

First—As pastors and laymen we make full use of United Brethren literature in every Sunday school and Church. Non-denominational literature does not develop devotion to the Church of Christ, and too often emphasizes morality rather than things of the Spirit.

Second—That churches contemplating the purchase of new hymn books give special consideration to the new Church Hymnal. The larger size, the superior content and the better binding of this hymnal make it the best buy for United Brethren churches.

Third—That every pastor observe a religious literature week or month; that in this observance he promote a campaign for the Religious Telescope. We recommend a continuance of the present club arrangement for the Telescope and the Miami Messenger.

Fourth—Whereas the Publishing House offers not only books and church literature, but also certain materials for office and home, we urge both pastors and laymen to "BUY U. B."

Respectfully,
M. B. KLEPINGER, Committee

Report No. 8
THE CHRISTIAN HOME

Many persons look back with satisfaction and pleasure to a Christian home as the strongest factor in laying a sound foundation for their Christian living. Many others did not come from a home in which God was revered and served. Both groups agree, however, that the Christian home is a vital institution and that its contribution to character building, to church efficiency, and to national stability is indispensable. Personality develops in the home. Loyalty find its first expression there. Love, the fundamental basic tie of all human relationships, is vitally strengthened in the Christian home.

Though we realize its importance, the church does all too little to develop Christian homes or to keep them Christian. With the emphasis this year on "God's Will be done in the Church," only minor attention will be given to the home. However, during 1938-1939 our theme will be "God's Will be Done in the Home." For that year our leaders should provide such a challenging and dynamic program as will lead every church and community to make a marked advance in the development of the Christian home. To that end we recommend:

1. That pastors and other leaders secure the booklet "United Christian Adult Movement in the Local Church," and make use of Chapter III.
2. That, since the person appointed as committee on the Christian home has been merely bringing in a report, no appointment be made this year, and that the work and the report be assigned to the Conference Board of Christian Education.

Respectfully submitted,
ROY D. MILLER

Report No. 9
THE CHRISTIAN SABBATH

The Sabbath Day has its beginning back in the days of the Garden of Eden and all through man's history he has been told to keep it holy. In the instructions God gave his chosen people the Jews, he said keep the Sabbath day holy, and implied in his instructions that if they would, great blessings would be theirs. Through the Prophets He reminded them again and again of the great need to keep one day out of seven holy.

In Jesus' day the formalists insisted that He was profaning the Sabbath and breaking the Law because he performed certain miracles to glorify God. So he answered them by saying the Sabbath was made for man, and not man for the Sabbath, implying that the Sabbath was for man to use as a day of rest, worship and adoration of His God. We as American people make the Sabbath most anything but what it was intended for. It has become a day of revelry instead of a day of rest and worship. It is high time that some steps are taken to make Christian folks realize the great opportunities for good they are missing by not keeping the Sabbath day holy.

Of course it becomes our task as ministers to impress this upon our people.

Respectfully submitted,
L. D. ODON

Report No. 10
REPORT OF THE COMMITTEE ON EVANGELISM

The need confronting our churches today is Christianity with Spiritual discernment. Spiritual flabbiness is so amazingly prevalent among present day Christians that many have little or no power with God.

Spiritual complacency has taken its toll, paralyzing many of the members of the church. A Christian burdened for the salvation of others is a rarity. The one Gospel Jesus preached for the high, low, rich, poor, learned and unlearned, was

repentance and faith. The only way to eternal life is by the road blazed by our Saviour, with his tears of sorrow for a ruined world.

As ambassadors of our Christ and in his precious name may our cry to the unconverted be, "Be ye reconciled to God!"

Plans and programs may be good but until we are the very heart and essence of the program and plan of God, the worth of our lives will never be a powerful attraction toward the Kingdom of God for many of our members who have fallen victims to the forces of evil.

Soul Winning, Personal Evangelism, Decision Day, Catechism, Enlistment, through our Churches and Church Schools, Preaching Missions, Revivals and Prayer Bands, will redeem our people as these are presented in the Spirit of our God.

May our Church in the name of God present itself for the task and refuse to relinquish its hold upon God until we are sure the battle is ended and the victory is won with each and every Church of our Zion spiritually awakened and revived.

REPORT ON HOME MISSIONS AND CHURCH ERECTION

"And ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth." Thus did Christ give to the Church a divine task. The gospel was to be carried to the uttermost parts of the earth, but the homeland is not to be neglected. Jerusalem and Judea were to be won to Christ.

The same task faces the Christian Church of America today. While foreign missions should be supported by every church, we must not neglect the evangelization of our own nation. A survey shows that thousands of boys and girls, who tomorrow will be the citizens and leaders of our country, are receiving no religious instructions. Nearly half the population of our nation are not members of any religious organization. Many others are bowing the knee to foreign idolatrous gods. These all present a challenge to the christian forces of America.

In response to this challenge our Home Mission Board has ninety-one mission pastors laboring in 101 mission churches. Last year these workers reported 1,168 conversions and accessions, and a Sunday school enrollment of 13,819.

Much has been accomplished in the past. However, there is a great task ahead. In city and rural areas there are vast territories in which the Word of God is not being taught. It is of vital importance that each local church promote a Home Mission program during the coming year. Missionary instructions in the Sunday school, distribution of literature, the study of mission books, should be used to develop a Home Mission spirit. Home Mission Sunday should be observed November 29, in all churches.

Let us as pastors and laymen cooperate with the Home Mission Board, and our fellow-workers who are laboring in the home mission fields, that we may possess our nation for Christ.

Respectively submitted,
REV. HAROLD S. BROWN

Report No. 12
FOREIGN MISSIONS

Just a little over eighty years ago three men left New York for Africa in a sailing vessel. This little band of pioneers was the first foreign missionaries of the United Brethren Church. This same pioneer spirit was manifest throughout the early years of foreign mission work not only in Africa but also in each of the other foreign fields as they were established. Today a vastly different picture is offered the Church. Last year fifty-six missionaries and 330 national workers, including ministers, Bible women, deaconesses, teachers and medical assistants, were employed by the Foreign Mission Board. These workers visited 4,045 stations in Africa alone. Some of this work is supported by the nationals themselves but they still need our support—morally as well as financially—we can hardly afford to disappoint them. There is too much at stake for the Kingdom of God not to mention the financial investment of the past years.

Africa with its diamond mines, the Philippines with its gold mines, Japan's metropolitan areas, China's teeming millions and Puerto Rico's underprivileged children bring problems—and opportunities—to the United Brethren Church. We must not shirk.

To realize these opportunities we need first of all to know the truth about them. But to know is not enough. We must pass this information on to others. A number of channels are already available. The Foreign Mission Department has pictures for use in the local church. A booklet, new and attractive, entitled Worship Pathways, is available for use in worship services. Ministers can secure sermonic literature from the Foreign Mission office. Foreign Missions should be observed the first Sunday in March with opportunity for an offering for Foreign Missions which can be applied on benevolence.

Lest we forget, much of the missionary program is dependent upon a dollar bill. Your dollar and mine may be weak by itself but united they may be made strong for a glorious task. The most convenient way to give is through a full benevolence budget. Then dreams will come true, goals will be reached and we can better pray, as we ought often to do, for God's blessing upon His representatives in Africa, Japan, China, the Philippines and Puerto Rico.

Respectfully submitted,

Report No. 13
REPORT ON OTTERBEIN COLLEGE

No Christian who believes in education will doubt the need of a Christian interpretation of education, and also the need of institutions that will provide such an interpretation. For this purpose were our church colleges founded and for this same purpose they must be maintained.

This is just as true of Otterbein College as it is of any other church college. Yet we were reminded by President Clippinger in his report to the college Board of Trustees last June that "At no time in his personal experience have there been so grave doubts expressed by some about the future of the church college and at the same time such a sturdy confidence on the part of its proponents that it is worth promoting and preserving."

Such a statement should not discourage us, but challenge us to a much greater effort, that Otterbein College along with other Christian colleges might be preserved for the contribution they are capable of making to on coming generations.

Reports presented by the president and other executives in the recent meeting of the Board of Trustees reveal definite and encouraging progress. Definite financial gains have been made the last year, in fact the best since 1929-1930. Substantial gains in endowment income were made, as is also true from student fees and income from rooms and board in the dormitories. A balance of $2,766.25 was shown in the current expenses of the last year. The report also shows an enrollment of 377 students, an increase of thirty-five over the enrollment of the previous year. And present indications are that another large class of freshmen have entered this fall.

New and additional courses are being offered to meet the growing demands of the times and also as a means of attracting more students. Direct aid to students in limited circumstances was given to the extent of $20,427.

There is no doubt that with the present equipment and teaching staff, at least 200 additional students could be cared for with very little additional expense. It is at this point that the ministers and churches of Miami Conference can give very definite aid. Lists of recent high school graduates can be sent to the college and these young people directed and encouraged to seek college training. We can make much more of Scholarship Day, Education Day and other special opportunities that the college and general church program provide.

Otterbein College is doing a fine work and making a real contribution to Christian leadership in many fields. Her usefulness can be greatly increased and her influence greatly enlarged by every church cooperating with her leadership and program.

GREETINGS FROM MIAMI BRANCH

Mrs. J. B. Henry

In behalf of the 2,851 women of Miami Branch, I bring greetings. But with our greetings we bring to the ministers and delegates of the Miami Annual Conference an invitation to share our mission program.

Christ, when a mere lad, voiced his life-long purpose when he declared, "I must

be about my Father's business." We women of Miami Branch accept that purpose as our theme for this year's work and study.

We realize that in each local church the Women's Missionary Society bears a large part of the responsibility for promoting and nurturing a world outlook. This year our program considers especially the needs of rural peoples in America and all the world. Our Advance Project in behalf of the leper colony in Africa is a most gripping challenge to each society of Miami Branch.

Therefore, with such a great work before us, may the thought of this bit of verse be our daily inspiration:—

O Thou who dost the vision send
And gives to each his task,
And with the task sufficient strength,
Show us Thy will, we ask;
Give us a conscience bold and good,
Give us a purpose true,
That it may be our highest joy,
Our Father's work to do.

RESOLUTION

Resolution in Response to Greetings From the Miami Branch of the Woman's Missionary Association.

We express our hearty appreciation of the greetings brought to this conference on behalf of Miami Branch by Mrs. J. B. Henry, our thanks and praise to the women of the W. M. A. for their faithful and effective work in our churches and for the work of the Kingdom, and our desire and purpose to cooperate to the best of our ability in this work.

We appoint Rev. Robert Copeland to be our representative and to bear the greetings of this body to the next meeting of Miami Branch.

Presented by F. L. Dennis, and adopted.

Report No. 16
MIAMI CONFERENCE HISTORICAL COMMITTEE

The Miami Conference was organized on August 13, 1810, on the farm of Michael Crider, in Ross County, Ohio. There were present thirteen ministers and two exhorters. Christian Newcomer, not yet elected Bishop, presided over the sessions. A great camp-meeting had just been held on Michael Crider's farm. Not much business was transacted at this first session. A great experience meeting was held. In those early days each minister was called upon to tell how his soul stood before God. And if he could not give a clear testimony of his faith and experience, he was not counted worthy to be a minister of Christ.

The second session of Miami Conference was held on August 23, 1811, in Fairfield County, Ohio. Christian Newcomer again presided.

The session of 1812 was held at Andrew Zeller's home, one of the first of many conferences to be held in Germantown, Ohio. The 1813 session was held at the home of Peter Seitz in Fairfield County, Ohio. The 1814 session was again held at Andrew Zeller's home in Germantown. Christian Newcomer presided at each of these conferences; at the last two as a full-fledged Bishop. At these conferences the leading questions that were up for discussion were the proper ordination of ministers and the first General Conference of the Church that was to be held in 1815. In regard to the ordination of ministers they decided to request Bishop Otterbein to ordain two or three of their men, and authorize them to ordain others. At this time the conference included the whole state of Ohio, but as other conferences were organized, Miami Conference's territory came to be restricted largely to the Miami Valley.

Since that time the churches of the conference have grown in towns and cities, as well as in country places. Miami Chapel is said to be the mother of Dayton United Brethren Churches. At the time of its organization it was in the country, but the city gradually grew about it. The Summit Street Church, predecessor of Euclid Avenue Church and First Church, were organized the same year. From these churches other churches were formed until at the present time, we have nineteen churches in and about the city, and a membership of 8,841.

Our first church in Hamilton was organized in 1905. It has gone through many struggles, but at last has succeeded in erecting its new church building, and

clearing the property of debt. The Ninth Street Church in Hamilton came into Miami Conference from the disbanded Ohio German Conference. The combined membership of the two churches is now 502.

Three of our churches in Cincinnati were founded by W. S. Norris, a layman, who persisted in taking his religion and his church relationship seriously. These churches were the Willey Memorial, the Clifton and the College Hill Churches. The Willey Memorial Church began its work in 1896, Clifton in 1904, and College Hill in 1908. These churches were founded with very few United Brethren members, and with scarcely any money. The communities needed churches, and those who were back of these enterprises had faith and perseverance. There are now in Cincinnati and vicinity eleven churches and 2,464 members.

Miami Conference has contributed many men to the general work of the church W. J. Shuey served for many years as agent of the Publishing House, William McKee as missionary treasurer; L. Bookwalter, as president of Westfield College, Westfield, Illinois; Western College at Toledo, Iowa; and Otterbein College, Westerville, Ohio. Andrew Zeller, Joseph Hoffman, Samuel Hiestand, Henry Kumler, Jr., G. M. Mathews, H. H. Fout, C. J. Kephart, A. R. Clippinger, and G. D. Batdorf have been elected to the office of Bishop. Among its influential laymen have been: D. L. Rike, Mrs. D. L. Rike, Mrs. L. K. Miller, John Dodds, S. E. Kumler, E. L. Shuey, Robert Funkhouser and many others.

The Conference of 1936 was held in the Clifton Church in Cincinnati, Ohio. At this conference D. T. Gregory was elected conference superintendent on a full time basis, after a part time superintendency had prevailed for seven years. He proved worthy of the trust that was reposed in him, but at the General Conference held in Chambersburg, Pennsylvania, in May, of 1937, he was elected executive secretary of the Board of Administration of the denomination. Miami Conference wishes him a long and useful career.

The conference turns its face to the future with hope and trust and confidence.

Report No. 17
BONEBRAKE SEMINARY COMMISSION

Bonebrake Theological Seminary is known throughout the denomination by various titles. In the days prior to the World War it was called the "West Point" of the church. Everyone now sees the incongruity of seeking to train ambassadors for the Prince of Peace in a West Point.

Later, the term "School of the Prophets," came into common use. Most of us like the title even though we may fall short of satisfactory qualifications as graduates. Furthermore, the functions of the ministry include priestly and administrative duties as well as prophetic.

More recently the Seminary has been mentioned as the "heart of the church." Some will say that this claims too much for any institution within the church. By the use of this term it is sought merely to convey a sense of the vital place occupied by our Seminary in the total program of the denomination. The Seminary, as represented by the administration and faculty, aspires not especially to be the heart of the church; but welcomes an opportunity to be a hand stretched out toward eager youth, called of God to full-time Christian service; or, a foot strong to carry the gospel message to men.

We record our gratitude to God for the presence of this institution within our conference; and for the consecrated services rendered through twenty or more of our local churches by the faculty and students.

We rejoice in the steady reduction of debt on the physical equipment. We note with great satisfaction that the debt will have been reduced to less than $60,000 by the end of this new quadrennium. The urgent need of the Seminary in the realm of finance is for an adequate current expense budget. Every dollar of the allotment in the General Benevolence Budget is needed by the Seminary. Faculty members and donors of annuity gifts are far behind in salaries and interest.

The Seminary stands squarely back of all the church departments. A full budget on every charge will treat all departments alike. In order to help fill the Benevolence Budget an annual Cash Day was established some years ago. This

day where faithfully observed has been a Godsend to the Seminary and a leverage in the local church to raise the Benevolence Budget.

Be it resolved, therefore: 1. That we commend the administration and faculty for their sacrificial services. 2. That we heartily observe Cash Day on October 10 or 17 by the use of the free literature already in our hands. 3. That where a full benevolence quota is not assured in advance, a Cash Day goal equal to 10% of the benevolence quota be adopted.

Signed—Seminary Commission

WOMEN'S AUXILIARY OF BONEBRAKE THEOLOGICAL SEMINARY

To the One Hundred and Twenty-eighth Miami Annual Conference:

Oakwood-Dayton, September 14-17, 1937

The Women's Auxiliary of Bonebrake Seminary has enjoyed a very successful year. The total membership for 1936-1937 as shown on the Secretary's Record, is 276 Individuals and thirty-three Groups. Miami Conference leads in the membership in the Central Area with 179 Individuals and eleven Groups. Cash received for Dues during the year—$235,35; total receipts for year, approximately $700; balance at close of year June 2, 1937—$203.

Four regular meetings were held during the year with an average attendance of seventy-five. In June, the Dayton Group of the Auxiliary served the meals for the Miami Conference Training School. There were 3,009 meals served, netting a profit of $353.91 or a profit of 11 cents per meal.

A Garden Party was sponsored July 9. Sorry to report that it was not so well patronized. The profit was about $20.00.

Two boulevard lights were installed in the outdoor Chapel at a cost of $103.95. Two single and five double suites have been decorated this summer. Four more doubles will be decorated this fall. The range installed in the kitchen last winter has proven very satisfactory and a great help to the cooks.

The Auxiliary President attended seven of the Fall Institutes of 1936 and presented the Organization's work. In May, he was privileged to present the Auxiliary's first General Conference Report. Two items given at that time, were: Total receipts for the four (4) years—$2,782.94, and the total expense for the four (4) years—$2,526.01. Those who have had a part in the work of the Organization for these years can well be proud of the accomplishments of The Women's Auxiliary. These figures should be an inspiration to all members of the denomination.

This year, as in the past, the report given to the Board of Trustees of Bonebrake has been sent to all the Annual Conferences.

We are hoping that the interest of Miami Conference may increase and more enroll in our group this year.

REPORT OF MINISTERIAL PENSIONS COMMITTEE

Opportunity is now knocking at the door of the Church of the United Brethren Church in Christ.

At no time in her history, as now, has the way been cleared for the successful promotion of the Ministerial Pension plan.

The General Conference held last May in Chambersburg, presented a program that challenges every local church to reach her goal, toward the raising of the one million dollar endowment fund.

Today, our membership strength is about 340,000. The giving of 75c per year per member, for the next four years will take us over the top.

We, as a denomination, are in the cellar, in comparison with other denominational pension plan endowment funds.

Many of the older men in the ministry, may find the contribution to be somewhat high in instances; but for the younger men—now is the time.

Let us get behind this challenging program, support the very efficient manager, Prof. H. H. Baish. He is working for the ministry of the church. Preachers, it is our job to help him put it across.

RESOLUTION PROVIDING FOR PREACHER PENSION CAMPAIGN

Whereas the General Conference has authorized a Campaign for raising Ministerial Pension Endowment money, be it resolved:

1. That we accept our quota of $77,532 and follow the plan of organization and work as outlined by the Central Committee.
2. That all money raised shall be sent to our Conference Treasurer and proper credit shall be by this treasurer to each church for money sent.
3. That the Conference Treasurer shall forward all money to the General Secretary of Ministerial Pensions for investment.
4. That the money earned from funds so invested that have been sent from this Conference, over and above the several tenths invested as part of the General Fund, shall be returned to Miami Conference Treasurer to be applied and used as aid for retired ministers of Miami Conference and their widows.

We, your Committee on Elders' Orders have examined P. O. Deever and A. G. O'Dell and find them sound in faith and doctrine. They have met the educational requirements of the church and give evidence of devotion and a definite call to the ministry.

OTTERBEIN HOME REPORT

It was with some misgiving that the General Conference of 1913, at Decatur, Illinois, officially accepted the Otterbein Home, which, at that time was looked upon by many as a liability and a herculean task. Twenty-four years of history have demonstrated the wisdom of their action. Improvement and progress are seen on every hand. Those visiting the Home are favorably impressed and become boosters. We commend the idea of church delegations, Sunday school picnics and groups visiting the Home, as it is one of the best methods of advertising and of informing the membership of the excellent work being done. In addition

to this, information is sent out bi-monthly through the Otterbein News which is constructive and praiseworthy. The Home was never better and more widely advertised and its future so bright as now.

Miami Conference, as a whole, has always believed in and supported the Home. In view of its increasing usefulness and growing favor among our people, therefore be it resolved:

1. That we set as our goal, the largest Christmas offering the conference has ever presented to the Home.
2. That we continue the plan of the full use of all the literature sent out by the Home.
3. That we express our appreciation for the generous support of our local churches and Sunday schools, and for special gifts made by friends of the institution.
4. That we extend heartiest commendation to the present management of the Home, from the least to the greatest for the fine spirit of cooperation existing between all and for the fine improvement of farms and buildings. Back of all is the Great Giver from whom "Comes every good gift and every perfect endowment and who is never subject to change or to eclipse. Praise God from Whom all Blessings Flow."

REPORT OF COMMITTEE ON PASTORS' RECORDS AND REPORTS

We, your Committee on Pastors' Records and Reports have carefully examined and audited each successor's record and report.

We commend the ministers for their cooperation in presenting neat and well prepared records and reports to conference. Final audit shows five fewer names listed in all the successor's records than reported to the Statistical Secretary.

The following records were not in the hands of the committee:

Aley Chapel and Rockdale.

The committee recommends:

1. That all pastors use the successor's records prescribed by the Discipline.
2. That all names be typed and numbered consecutively.
3. That the address of each member be listed.
4. The names of all the members of the Official Board and the officers of the various organizations be listed.
5. That the Telescope, Messenger and Evangel subscribers and date of expiration be listed.

REPORT OF THE CONFERENCE BOARD OF CHRISTIAN EDUCATION

Never in the history of our denomination have we had a better worked-out program of Christian Education than that adopted by the General Conference in 1937. Beyond question our church is committed to the best methods obtainable in Christian Education. These facts constitute a challenge to our Annual Conference to throw ourselves still more fully into the educational program of our denomination.

This report endeavors to do two things: (1) Review the past year's work and (2) present the adopted program of activities in Christian Education for Miami Conference for the year 1937-1938.

The promotion of our conference program of Christian Education has been in the hands of the following: Dr. C. W. Brewbaker, General Director; Rev. Roy D. Miller, Adult Director; Rev. Harvey C. Hahn, Young People's Director; Mrs. Will Hopkins, Children's Director; Rev. M. D. Kidwell, Director of Leadership Training.

The General Director has contributed a number of articles to the Miami Messenger; has sent out a number of promotional communications to the pastors of the conference; and has had general charge of the promotion of our program of Christian Education.

The Adult Director says: "To promote an adult program of Christian Education within the bounds of the conference is not easy. Fifty-nine churches had Adult Directors during the past year, and fifty-three had none. Promotion work was done in the field through the fall and spring rallies, by letter and articles in the Miami Messenger, and by personal contact. The Adult Convention was held at Belmont on December 3, and was well attended. The theme was: "Revitalizing Adult Religious Life." It was your director's privilege to attend the National Adult Conference at Conference Point, Lake Geneva, in July. The report of this conference is now available in booklet form."

The Director of Young People's work has been as active and helpful as ever. He reports forty-two addresses on Christian Education; participation in four camps and fourteen campfires; addresses at seventeen dinners; sharing in six conventions; participation in twenty rallies and three panel discussions. He has organized the young people into seven district groups of the conference with a district leader (a young person) in charge of each district. These young people have given freely of their time in promoting Christian Education, organizing C. E. Societies, distributing literature, and in the Training School at Bonebrake served as the Wangis of the tribes.

Following her recovery from illness Mrs. Will Hopkins resumed her work as Director of Children's Work. She attended the seven district rallies where she discussed the problems of children's work and exchanged ideas with the children's workers of the various churches. She has been a substitute teacher in the Week-Day School of Religion in Dayton, where she has contacted hundreds of children. At the Training School, at Bonebrake, two courses for children's workers were offered. In July the director taught a group of twenty-two children in a D. V. C. S. for underprivileged children. In August she taught in a similar school at the Otterbein Home. She has had two meetings of the children's division committee. Much of her work has been done by correspondence. The committee recommends a convention for children's workers for May 21, 1938.

Leadership Training has been vigorously promoted under the direction of Rev. M. D. Kidwell. Fifty-four churches out of 111 sent delegates to the Conference Training School at Bonebrake Seminary; four "A" level courses were offered and six "B" level courses; 155 credits were issued for the former and 101 for the latter; the number of registered delegates totaled 208 as compared to 212 of the year previous; the expense of the school came to $289.73 and its income came to $226.60, making necessary a subsidy of $63.23. We pay also a subsidy of $50.00 per year to the Otterbein camp.

All of these directors have been faithful in their service, which has been rendered on an entirely voluntary basis, out of hearts of love and devotion to the cause of Christian Education.

Young People's Anniversary Day and the Children's Day offerings show the following results over a period of the last four years:

	1934	1935	1936	1937
Y. P. Anniversary	$494	$634	$591	$631
Children's Day	444	629	687	634

Otterbein College offering came to $857.73 as compared with $769.00 in 1936; $752.00 in 1935; and $531.00 in 1934.

Finances of the board: The board spent $116 for permanent equipment for the Training School at the Seminary, consisting of hymn books for the school and classroom chairs for the seminary. Its total expenditures for the year came to $444. Its appropriation was $500. Since it saw its way clear to finance its work without the July and August appropriations, those were forgiven. Thus the income was $416 for the year.

We submit herewith the Program of Activities in Christian Education for Miami Conference, for the year 1937-1938. This program has been adopted by the Council of Administration of our conference and thus becomes the conference program. It is also essential that every pastor, and every general director of Christian Education in the local church have a complete set of the Leader's Christian Education Program Materials. This set contains the following:

"Handbook of Christian Education."
"Annual Program for Adults."
"Annual Program for Young People."
"Annual Program for Children."

The Board will send to the Adult Directors, the Young People's Directors, and the Children's Directors, respectively, a copy of the annual program for Adults,

Young People and Children. Others should *buy* this material, obtainable through our Conference Board, or from the offices of the General Board. This entire program is carefully geared into the Church Standard. We anticipate a great year ahead in the unified program, centering around this Church Standard, so excellently arranged.

Respectfully submitted,
WALTER N. ROBERTS,
The Miami Conference Board of Christian Education

Report No. 24
REPORT OF COMMITTEE ON POLICY

(1) As ministers and laymen we should consecrate ourselves to the task of promoting "God's Will in the Church," by diligently, faithfully and prayerfully giving ourselves in service toward the attaining of the following goal:

(a) That our denominational theme, "God's Will Be Done in the Church," be adopted as our conference theme for this year.

(b) That Church Night Programs and similar methods of instruction be conducted in all our churches for the purpose of informing our people concerning the new quadrennial program.

(c) That the yearly emphases as set forth by the General Conference and printed in the leaflet, "The New Quadrennium," be kept before us as a guide in our program procedure for this conference year.

Evangelism

(2) Since we believe our denomination to be an instrument by which the gospel of Christ is to be carried to unsaved souls and into unsaved areas of group life, we urge a program of church activity emphasizing Evangelism as a paramount responsibility.

We urge the continuation of special revival periods and encourage pastors in our conference and separate districts to assist each other in revival campaigns.

That every church set a goal for accessions this year and then pray and work to attain the goal.

That soul enrichment and soul winning be primary objectives in the planning of our work and in the conducting of services all through the twelve months.

That we make the period from Ash Wednesday to Pentecost a time of decision, of conversion, of renewed consecration and a time of ingathering of new members.

Christian Education

(3) We recommend that we adopt as our Conference program of Christian Education the program presented by the Conference Board of Christian Education and adopted by the Council of Administration.

Finances

(4) We heartily recommend "The Covenant Plan" and the use of Covenant cards in all our churches. Churches may well be encouraged to employ this plan

at least for a ten weeks' period culminating either at Easter or at Pentecost or at some other time of the year which the local church deems advisable.

We recommend that every church strive to attain a full budget and that we give ourselves without reservation to the achievement of the goal. We recommend that an Every Member Canvass be put on in every church and an earnest effort be made to have every member contribute regularly to the financial program.

That all special days designated by the General Conference program for promotional purposes be observed and the offerings credited to the benevolence budget.

That the conference authorize the treasurer to close the books for this conference year on the Thursday after the last Sunday in August and that the Statistical Secretary be instructed to make his benevolence item in the minutes conform to the treasurer's record.

The regular monthly remittance of benevolence by every church to the Conference Treasurer by Thursday noon following the last Sunday of the month.

That we undertake the raising of 10% of the benevolence quota for Bonebrake Seminary, October 10-17.

That Miami Conference accept its full responsibility in the promotion of the Preacher Pension Fund Campaign.

That the special literature and the goals for every church on Education Day be distributed to the churches by the Conference Board of Christian Education.

That the conference program committee plan their program next year so as to give an evening over to special recognition of pastors and churches that have reached certain goals in benevolent giving.

That in the monthly reports to Miami Messenger all churches paying fifty per cent of their quotas be designated as one-star churches, all churches paying seventy-five per cent of their quotas be designated as two-star churches. Churches paying in full be regarded as three-star churches. Any church raising 3% above its quota be regarded as a second-mile church and churches reaching the above goals be printed in bold type.

That every Charge employing a full-time pastor make an earnest effort to pay at least $1,200 and home as a minimum salary basis. We should not forget that a considerable per cent of what is paid the pastor must first be used for operation costs before he has what can rightfully be called salary; therefore, we urge that every charge keep in mind the necessity of an adequate support for the pastor in his work.

Conference Rallies

(5) That our Fall Institutes and Spring Rallies be given fullest consideration by every pastor and church in the conference, in order that the inspiration and information given at said gatherings might be imparted to every church throughout the conference.

That the Council of Administration plan a meeting to be held in conjunction with the Miami Branch Convention—purpose of said meeting to be for inspiration, fellowship of spiritual nature and check up on progress we are making with the conference program.

That the New Church Standard be Used in Every Church

(6) A unified church standard is proposed which does not represent any one department or agency. Pastors and churches will use this standard in planning and conducting their yearly programs of work and will report on the standard at the end of each church year at the Annual Conference session.

The Board of Christian Education in the past has had a Standard of Christian Education. This standard will be discontinued and the new church standard will be the only standard used in the churches.

Reports and Records

(7) That the supplementary reports pertaining to Church Standard sent in with the pastors annual report be filled out by the pastor, local director of Christian Education and the secretary of the Official Board. Reports are then to be graded by the Conference Superintendent, Conference General Director of Christian Education and the Conference Statistical Secretary.

Reports to be in duplicate form, one to be sent to the Statistical Secretary and the other to be inserted in Successor's Record.

That all Quarterly Reports and Annual Reports be sent in on time and we recommend that names of all delinquents be published in Miami Messenger.

(8) That pastors changing fields of labor go to new fields of labor to preach next Sunday.

Cooperation

(9) We recommend the Summer Training School, at Westerville, and believe that this institution is growing in value to all those who have the privilege of attending.

We shall continue to cooperate with the leaders of the Training School held at the Seminary each year. We believe this school has become outstanding in our church and deserves our loyal support.

We pledge ourselves to support the cause of temperance and to cooperate with every organization that is hastening the day of our return to national prohibition.

That we give active cooperation to city, county and state Council of Churches, Councils of Religious Education, and all other regular organized methods of interdenominational fellowship in service to Christ and His Kingdom.

Respectfully submitted,
The Policy Committee
H. C. HAHN, Chairman

Rural Life Commission

(10) The Conference Superintendent, Editor of the Miami Messenger and the ministerial district leaders of the Greenville, Lewisburg and Middletown Districts shall be the Conference Rural Life Commission, and shall be given the responsibility of planning for and promoting Rural Life Institutes at Verona and Germantown and of representing our conference in cooperating with the Rural Life Commission appointed by the late General Conference.

TEMPERANCE REPORT

Being aware of the fact that the most dreadful conditions exist in this present day, owing to the open saloon, bawdy houses, etc., and other such agencies menacing the lives of our young people and destroying the finer qualities of the home, because of this destructive evil, your Trustees of the Anti-Saloon League, of the State of Ohio, beg to submit this report:

That this the Miami Conference of the Church of the United Brethren in Christ ally ourselves with other agencies that this evil might be suppressed, and especially do we ask that our pastors and churches cooperate with the Anti-Saloon League of Ohio and the W. C. T. U.

However, we ask that the most extreme caution be taken as Local Option elections are held and that we be sure of our grounds with the program well handled and instruction given such as will assure victory.

Report No. 30
REPORT OF COMMITTEE ON STEWARDSHIP

Stewardship is a trust wherein one person uses another's property for the others purpose. Stewardship includes both time and money, proportionate giving of each, of time one-seventh, of money one-tenth. The designation of these proportionate parts, which seem to be the minimum, is a fundamental law of God that had its origin, *in principle*, in the garden of Eden. The law of the tithe and the Sabbath emanated from the same authority and run parallel through all the scripture.

The greatest mission of the church today is to acquaint people with God and to establish a correct and abiding relationship with Him. An individual lives, only as he shares his life with others in keeping with the plan of God.

The work of Stewardship the past year has been promoted through the work of Doctor Hough and through the use of Stewardship slides at our Fall District Rallies and again in our quarterly meetings held over our conference by Doctor Gregory aided by his good wife.

In way of other accomplishments, four of our churches installed new electric organs and several of our churches reduced or paid off their mortgages, others increased their benevolent gifts. In fact in most of our churches you will find some very commendable achievements the past year.

Here are a few suggestions submitted for the coming year. Stewardship classes during the month of October, distribution of Stewardship literature for men such as is used by the Women's Missionary Society; a more general observance of Stewardship Sunday emphasizing the Stewardship of Time, of Talent and of Things; a stewardship secretary in every local church to work with the general secretary.

Make sure our people have a clear knowledge of the principles of Stewardship. Impress our people with the fact that Stewardship is *not* something extraneous but that it is an integral part of religious living. Provide opportunity for our people to practice tithing over a period of weeks using our covenant plan.

Now as we go forward in our new conference year and the new quadrennium may we all as ministers and laity pledge ourselves anew to know nothing save Jesus Christ and him crucified.

A great Church said just recently, "The paramount need today is not more churches, not more science, not more money but more consecration to the cause of Christ, more men and women on fire for the things of God."

Respectfully submitted,

O. A. STUTZ

Report No. 31
RESOLUTION ON SABBATH OBSERVANCE

Whereas various county fairs and the Ohio State Junior Fair have been open on Sunday, automobile races, horse-pulling contests and other sporting events are being continually scheduled and held on Sunday; and this commercial use of the Christian Sabbath interferes with habits of worship and tends to destroy the religious value of the day.

Be it resolved, that we register our protest against such use of the Lord's Day and call on our people and all other Christians to use their influence against such use of the Sabbath and have no part in sports and events held on this sacred day.

The above resolution in substance was passed by the Official Board of the Arcanum United Brethren Church, presented to the conference by O. A. Stutz, secretary of that Board, and passed by the conference.

Report No. 32
REPORT OF THE RESOLUTIONS COMMITTEE

We, the Committee on Resolutions, submit the following:

Be it resolved that:

1. We express gratitude to Almighty God, our Heavenly Father, for His blessings and guidance during the year and in this conference season, and for the joys of fellowship in this work.

3. We express appreciation to the Oakwood Church and Rev. Joe Hendrix and Mrs. Hendrix, and all the members and friends who contributed to the generous hospitality enjoyed by the visitors to the conference.

4. We express our appreciation to Mrs. W. I. Comfort, the conference stenographer for her faithful and cooperative work.

5. We express gratitude to the guest speakers, platform leaders, and all those who contributed in any way to the instruction and beauty of the programs.

6. We, ministers and laymen, express our realization of the challenge presented to us by the conference policy of observance of the special days as set forth in the interest of the various enterprises, and agree to pledge our full support to these and any other projects outlined by the conference.

7. We express our determination to give all possible support to the task of making a warless world, and to promote peace, temperance, and unity among the followers of Christ.
